

## State of the Parish Meeting with Fr. Jim

Monday, Jan. 8, 7:00 pm, Gathering Space

As we begin the New Year we pause to take a look at how we are doing as the Roman Catholic parish of St. Joseph's Church. In place of our January Parish Pastoral Council meeting, the Council members and I invite you to join us in the Gathering Space to talk about the current state of our parish and our shared hopes for 2018 and beyond.

We'll highlight our upcoming Increased Offertory Program, ChristLife (a Catholic Ministry of Evangelization) and Penfield HOPE, a new approach to helping those in need in our community. Your insights are most valuable to me as your pastor and to our Parish Council members. Please join us!

### State of the Parish Report
